

October meeting:

Going Solar... Converting Rooftops into Revenue-Makers

Thursday, October 12, 2017

8 to 10 a.m.

The Woodlands at Woodbury
One Southwoods Road, Woodbury

Sponsored by:

— COUNSELORS AT LAW —
**Forchelli, Curto, Deegan,
Schwartz, Mineo & Terrana, LLP**
— FORCHELLILAW.COM —

Find out how residential and commercial building owners can convert their rooftop to a revenue-generating machine!

We will discuss the details about “community” solar:

- Potential savings of 20-25% on electric bills
- For 25 years or longer, earn \$50-\$75 for every square foot of roof space
- The difference between owning and leasing

Join us as we review the economic benefits of solar power.

MIKE BAILIS
Co-Founder
SUNATION Solar Systems, Inc.

In advance: WEDLI members: \$25, Guests: \$35 | At door: Add \$5
