**Insight from Certified Women's  
Business Enterprises (WBE)**

**Thursday, April 12, 2018**

**8 to 10 a.m.**

The Mansion at Oyster Bay  
One Southwoods Road, Woodbury

Sponsored by:

When a business is certified as a Women Business Enterprise (WBE), many benefits become available. From governmental contracts to new business opportunities, if you're not certified, you may be missing out on valuable opportunities to connect with potential clients who want (and need) to work with businesses like yours.

Join us for a "how-to" session that will review the benefits of WBE certification, as well as its responsibilities and requirements.
